⁺In 2018, there is only one entry fee for trampoline athletes. This covers multiple disciplines as long as the athlete has qualified and been registered to compete in each discipline.

Please note that the entry fee includes what was previously known as the 'Judge Fee' in 2017. The slight increase from last year is based on inflation and the cost associated with hosting all codes at the same venue.

Submission of Entries: entries will only be accepted from the Provincial Coordinators – they will not be accepted from clubs. International entries will be eligible and considered for participation if received from Gymnastics Federations, State/Regions or on special invitation from Gymnastics New Zealand.
